License Agreement

Access to glass technology

Patented Technology

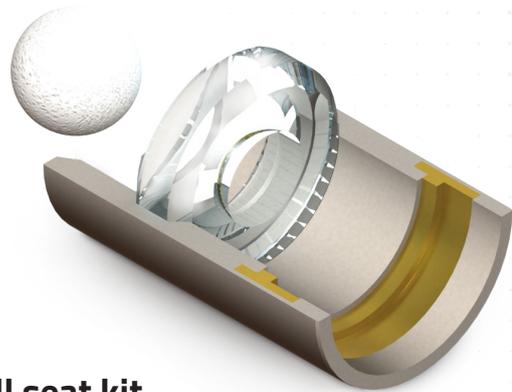

White Label Option

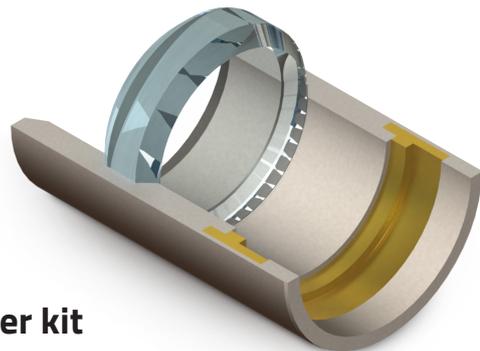

Local Content Incentive

Flexible Supply Chain

Ball seat kit

Barrier kit

Fantom™ Shatter Ball Seats and Fantom™ Barriers are both available as kit solutions for applications including but not limited to Flotation, Barriers and Setting & Testing.

This provides a perfect solution for Oilfield Service companies who want to include all the physical benefits of Fantom™ technology in their portfolio, but with increased flexibility to meet customer specific requirements. It also increases control with reduced reliance on third-party tool manufacturers.
